

JAVIER TORRES PAZ

DIRECTOR OF PHOTOGRAPHY · CAMERA OPERATOR · DRONE OPERATOR

Ciudad Real, Spain · tjavier029@gmail.com · Portfolio: youtube.com/@laruedafilms8178 · La Rueda Films

PROFESSIONAL PROFILE

Director of photography and camera operator with more than 15 years of experience in the audiovisual industry. Specialist in live music, documentary film and commercial aesthetics for international audiences. Trained at the **ICAIC** (Cuban Institute of Cinematographic Art and Industry), he is a key figure in the cinematography of concerts, music videos and documentary series on Cuban cultural heritage. He combines technical precision with artistic sensitivity to create visual content with international impact.

CORE SKILLS

Cinematography (DOP): lighting design and composition for documentary film, television and music videos.

Documentary storytelling: stories of heritage and culture with a cinematic aesthetic.

Multi-camera production: live concerts and galas, with experience in workflows for international broadcasters such as **Mezzo TV**.

Technical leadership: directing complex shoots and camera crews on 500+ television programs.

SELECTED EXPERIENCE
